What do the Job statuses mean?

Pending—All new jobs and edited jobs will be marked with this status.

Active—After a job is approved by our office, we will assign your job this status.

NOTE: You can close this job, by opening it and clicking [Close Job] at the top.

Closed by Employer—This is the status assigned when you close the job.

Inactive—When a job expires, it will be assigned this status.

How do I create or view job Placements or resume Referrals?

Choose My Jobs and next to each job you will find the Activity column.

R is for Referrals — Click the R to view students that have applied/submitted their resume.

P is for Placements — Click the P to view job Placements of previously hired students. See the following section below for directions on how to “Report a Hire.”

JOB FAQs:

When will my job post to students?

Once your job is accepted by our office, we will change the status to Active and it will post on the Post Date listed. If the Post Date has past, then it posts as soon as we accept it.

When will my job expire to students?

When the expiration date is reached. You may edit this date if you want your job posted online for a longer period of time.

Will I get an email the day before my job expires?

Yes, it will be emailed to the email address listed in your profile, under My Profile.

How do I close a job before the Expiration date?

Click on your job to view the details. At the top of the job you will see [Close Job]. Click on that link to close your job. The status will change to “Closed By Employer” and it will no longer be available to students. (Don't forget to create a placement if you hired one of our students!)

I'm filling out a job for the first-time. What are these fields?

Show Contact Info—

- Choose Yes to show your contact info section.
- Choose No to not show it.

Allow Resume Submission through ZebraNet —

- Choose Yes to allow students to submit their resume through the ZebraNet system. You will receive an email as the students apply.
- Choose No if you prefer to receive resumes or student contact outside of the ZebraNet system (be sure to fill out the Application Instructions field, so that students know how to apply).

Email Employer with each Resume Submission —

- Choose Yes and the ZebraNet system will email you as soon as an applicant submits their resume.
- Choose No and the ZebraNet system will NOT email you. You will need to login to view any resume submissions. To do so, follow these steps:
 1. Go to My Jobs > Job List
 2. Click on the desired job (by clicking on either the job ID or job title)
 3. Click the [View Activity] link at the top of the job. Now you will see the Resume Referrals that have been submitted.
 4. Click the SELECT ALL button and then click the CREATE PACKET button to view all resumes.

Should I report a hire?
